What Are We Learning?

Printing our Name- We will begin to work on printing our names using correct letter formation and identification. We always start with a capital letter and the rest of the letters are lowercase. Please remind your child to hold the pencil using the birdie bite (thumb and pointer "bite" the pencil and the tall man helps at the bottom) All letters start at the top and go down. The helper hand without the pencil, should be holding the paper down.

Letter Bootcamp- This year we will be learning and few letters each week using the Animated Literacy Program by Jim Stone. Each letter has a character that makes the letter sound and has an action that goes with it. This week we be learning about the letter Cc. The letter Cc character is Crazy Camel and she says /c/ as she makes a letter c shape with their hand as she crunches cookies. I will send home the Crazy Camel Animated Literacy song home for your child to sing and circle all of the letter Cc's in a duo tang at the end of the week. Please return the duo tang and Communication folder back to school every weekend.

Math- We will start math by learning about numbers to 10. We will be rote counting to 5 every day and identifying and representing numbers 1-5.
