What Are We Learning?

Letter Bootcamp- We will be learning about the letter Hh and Jj this week. Our character is Hippy Hippo and her action is playing the harmonica by putting her hands together as she says the /h/ sound. Our next character is Jenny Jaguar and her action is to use her hands to juggle jelly jars while she says the /j/ sound.

Math- We are working on the number 3 and we are recognizing 3 dots on a dice and dominoes and are counting out sets of 3 objects. If your family likes to play games together, any card game like war or any game where you use a dice help your child develop their numeracy concepts such as more than, less than or the same amount as well as number recognition.
