What Are We Learning?

Printing our Name- We will continue to work on printing our names using correct letter formation and identification. We always start with a capital letter and the rest of the letters are lowercase. Please remind your child to hold the pencil using the birdie bite (thumb and pointer "bite" the pencil and the tall man helps at the bottom) All letters start at the top and go down. The helper hand without the pencil, should be holding the paper down.

Letter Bootcamp- This week we be learning about the letter Pp and Mm. The letter Pp character is Polly Panda and she says the /p/ sound as she paints up and down. The letter character for the letter Mm is Mimi Mermaid and she says the /m/ sound while she moves her magic mop back and forth as though she is mopping the floor. I will send home the Polly Panda and Mimi Mermaid Animated Literacy songs home for your child to sing and circle all of the letter Pps in a duo tang at the end of the week.

Please return the duo tang and Communication folder back to school every weekend.

Math- We will start math by learning about numbers to 10. We will be rote counting to 5 every day and identifying and representing numbers 1-5.
