Wednesday

Introduce Letter Oo

/o/ and not /o/ Sound Sorting Activity

Thursday

Library

Introduce Number 2-Identify, write and count to the number 2 Activity

Friday

Professional Development Day- No School

What Are We Learning?

Printing our Name- We will continue to work on printing our names using correct letter formation and identification. Please remind your child to hold the pencil using the birdie bite (thumb and pointer "bite" the pencil and the tall man helps at the bottom) All letters start at the top and go down. The helper hand without the pencil, should be holding the paper down.

Letter Bootcamp- This week we be learning about the letter Uu and Oo this week. The letter Uu character is Uncle Upton and he says the /u/ sound as in uncle as he hangs upside down. The letter character for the letter Oo is Dr. Ollie Ostrich and she says the /o/ sound as in ostrich. She uses her pointer finger to put on her tongue as a pretend tongue depressor as she says /o/. I will send home the Uncle Upton and Ollie Ostrich Animated Literacy songs home for your child to sing and circle all of the letter Uu's and Oo's in the red duo tang at the end of the week.

Please return the duo tang and Communication folder back to school every Monday

Math- We will start math by learning about numbers to 10. We will be rote counting to 5 every day and identifying and representing numbers 1-5. We also count together every day as we count the days in school and count on the calendar too!

Contact Information

I am available to talk before or after school every day if you have questions or concerns. You can also call the school phone or email me.

School Phone: 780-939-4020

Email: swatson@gsacrd.ab.ca
