Identify and build Number 2 in math journal activity

### Tuesday

Review Letters Cc, Pp, Uu and Oo

Introduce Letter Mm

/m/ and not /m/ Sorting Activity

### Wednesday

Miss Brittany visits

Star of the Week Activity- Bexley

### Thursday

Library

Thanksgiving Activity

### Friday

No School for Kindergarten Students

**Letter Bootcamp**- We will be learning about the letter this week. Our character is Mimi Mermaid and she moves her magic mop back and forth as she says the /m/ sound.

Now that we have learned a few letters, we are singing the "Are you sleeping?" song and we substitute the brother John with our animated Literacy characters. For example:

Are you sleeping, are you sleeping?

Polly Panda, Polly Panda?

Polly's bells are saying Polly's bells are saying

Ping pong ping, ping pong ping.

For all vowels, Aa, Ee, Ii, Oo and Uu, they are like the cheese, in the Farmer in the Dell and they stand alone. So Ollie Ostrich's bells would say /o/, /o/, /o/ (as in Ollie)

**Math**- We continue to rote count to 5 and will identify and represent numbers 1-5.
