

# October Happenings

## Mrs. Watson's Week at a Glance October 10-14

### Monday

Thanksgiving-No School

### Tuesday

Identify and build Number 2 in math journal activity

### Wednesday

Miss Brittany visits

Introduce Letter Xx

/xs/ and not /x/ Sorting Activity

### Thursday

Library

Star of the Week Activity- Ciana

### Friday

No School for Kindergarten Students

### What Are We Learning?

**Letter Bootcamp-** We will be learning about the letter Xx this week. Our character is Max the Ox and his action is raising hands over his head and relax as he says the /xs/ sound and brings his hands down.

**Math-** We continue to rote count to 5 and will identify and represent numbers 1-5.

### Miss Brittany

The students met a new character called Cloud last week. He had a bad day and he got mad and he yelled at his friends that they weren't friends anymore. He realized what he said was mean and he apologized to his friends. It's okay to be mad but it's not okay to be mean. When we are mad, we can take deep breaths, slowly count to 5 and touch each finger as you count or put your hands together and push hard while you count to 5 (palm push ups)
