Activity- /a/ and not /a/ sound sorting activity

Wednesday

Miss Brittany visits

Fall Walk around ths School

Thursday

Library

Star of the Week Activity- Dominick

Friday

No School

What Are We Learning?

Letter Bootcamp- We will be learning about the letter Aa this week. Our character is Actress Annie and her action is making the addition sign with both forearms as she says the short /a/ sound as in actress.

Math- We continue to rote count to 5 and will identify and represent numbers 1-5 with 10 frames, dots on dice and dominoes. We are also practising printing the numbers, always starting at the top, just like the letters!

Miss Brittany

The students met a new character called Huggtopus last week. The students learned that there are times it's okay to be silly and times it's not okay to be silly. Huggtopus likes to be silly and can hurt her friend feelings. Miss Brittany read a story where Huggtopus was silly and stole all of the toys away from her friends. She had fun but her friends did not. In the end, Huggtopus shared the toys with her friends and took turns playing with them.
