Wednesday

Make a tissue paper bell decoration

Thursday

Library

Number 4 Journal Activity

Greet someone new

Friday

Sorting Activity- /g/ and not /g/.

Sing a Christmas song with a friend

What Are We Learning?

Letter Bootcamp- We will be learning about the letters Bb and this week. Our character is Baby Barnaby and his action is to bow by leaning forward, with 1 arm in front of his stomach and 1 arm behind his back as he says the /b/ sound. The other letter is Gg for Griselda Green. She holds out both arms at the side and she glides as she says the /g/ sound as in green.

Math- We will be continuing to work on counting, patterns, numbers, 10 frames and other math concepts daily with our December calendar and counting out how many days we have had in Kindergarten by counting out sticks, cubes and filling in 10 frames every day to keep track and we are almost halfway to 100 days in school!

Advent- We are preparing for the birth of baby Jesus. This is the 2nd Sunday of Advent and the theme is Peace.

December Important Dates

December 6-8 Scholastic Book Fair

***December 8-23** The 12 days of Christmas*

December 19- Christmas Concert 1:00 and 6:30 in school gym

December 22 - Christmas Party

December 23 - PJ Day

-Christmas Liturgy 9:15 in gym

January 9- Back to School

Miss Marina reviewed what a small problem was and introduced the children to the Slumberkins character Narwhal. She explained to them that a medium sized problem was when they had a problem that they couldn't solve on their own. They would have to get from someone bigger than them, like a parent, a family member or a teacher to help them. Some examples of a medium problem might be falling off the swing, bumping their head or scraping their knee.
