Review all numbers and introduce Number 5

Number 5 Activity

Friday

No School

What are Learning?

Letter Bootcamp- We will be learning about the letters Ee and Nn this week. The character for the letter Ee is Edgar elf and his action is exercising by bending both arms and pulling the hands towards the shoulders while he says the /e/ sound as in the beginning of elephant. The Nn character is Nellie Newt and her action is nibbling nuts and noodles by putting both hands up by either side of the mouth and pretending to eat as they say the /n/ sound as is newt.

Math- We will continue to work on all numbers daily through the calendar and by counting the number of days in school. We will review all numbers to 4 and learn about the number 5. We will practice printing the number 5 and showing 5 fingers in different ways-4 and 1, 3 and 2, 5 and nothing.

We will also continue to **print our names** independently using correct letter formation and correct sizing.

Miss Marina

Miss Marina introduced the students to the character Honeybear. She talked about being grateful and having gratitude. Miss Marina explained that it meant being really thankful and that each student could make a Christmas card for someone that they love and are thankful for. The students were also encouraged to say thank you to someone that they are grateful for, such as a parent, etc.
