What Are We Learning?

Letter Bootcamp- We will be reviewing the letters we have learned so far this year.

Math- We will be continuing to work on counting, patterns, numbers, 10 frames and other math concepts daily with our December calendar and counting out how many days we have had in Kindergarten by counting out sticks, cubes and filling in 10 frames every day to keep track of how many we have had in school!

Advent- We are preparing for the birth of baby Jesus. This is the 4th Sunday of Advent and the theme is Peace.

Miss Marina

We reviewed what a small problem was and how to solve it (can solve by yourself) and what a medium problem was and how to solve it (get a trusted person, like a parent or teacher). Today the Yeti taught the children what a BIG problem is, like getting lost at the mall or zoo. To solve it students would need a big helper, like a doctor, fire fighter, policeman or a person wearing a uniform, like mall security, to help them. The students shared their examples of a time when they needed a big helper.
