Monday Wear Blue/Orange or Jersey

Gym

Math Sorting Activity

Tuesday

Math- Identifying Patterns

Wednesday

Miss Kara

Star of the Week Activity- Thea

Thursday

Library

Printing letter Cc

Friday

No School

What Are We Learning?

Letter Bootcamp- We will be reviewing all letter sounds, sounding out words, and segmenting and blending words.

We will also be reading our heart words every day and adding more words we can read.

We will be begin working on printing letters with the correct letter formation in our alphabet books and sounding out decodable nonsense words to practise our letter sounds.

Math-

We will be starting our unit about patterning. We will learn to identify a pattern, extend a pattern and create our own pattern.

We will be learning about how to take care of the environment by reducing, reusing and recycling.

We will also be learning about groups in our community.

Miss Kara

Miss Kara read a story about Narwhal. She reviewed what a growth mindset is- believing in yourself and thinking you can do anything you set your mind to. She explained what a fixed mindset is-thinking things will never get better or easier, no matter how hard you try. The fixed mindset is more discouraging and just gives up. Students gave examples of times where they had a fixed mindset. Miss Kara then looked for examples of when Narwhal used a growth mindset in the story.

Upcoming Important Dates

April 17-Oilers Playoff Game-Wear Blue/Orange or any jersey

April 21-Staff Meeting- No School
