What Are We Learning?

Letter Bootcamp- We will be reviewing all letter sounds, sounding out words, and segmenting and blending words. We will also be reading our heart words every day and adding more words we can read.

We will begin working on printing letters with the correct letter formation in our alphabet books and sounding out decodable nonsense words to practise our letter sounds.

Math-

We will be starting our unit about patterning. We will learn to identify a pattern, extend a pattern and create our own pattern.

Printing Last Names-We will continue printing our last names and naming all of the letters in it.

We will be learning about how to take care of the environment by reducing, reusing and recycling.

We will also be learning about groups in our community.

Monday

Easter Monday-No School

Tuesday

Easter Party

Wednesday

Miss Kara

Star of the Week Activity- Adelynne

Thursday

Library

Resurrection Celebration

Kindergarten Graduation Pictures

Friday

Identifying Patterns

Miss Kara

The students met a new character, Narwhal. They listened to a story about how he used teamwork to solve a problem. Narwhal and his friends were very proud of their clean town. When it got very dirty and one of his friends got stuck in the garbage he decided to clean it up. He tried to clean it up by himself but he only had 1 bag. He asked his friends to help and they all came and they worked together to clean up their town using teamwork. The students shared times at home and at school where they used teamwork too!

Upcoming Important Dates
